

How we take care of your MyOneAndOnly

The MyOneAndOnly bags are made from highly resistant materials mend for heavy duty outdoor use. The shoulder straps are made from car seat belts so they can lift thousands of kilos, more than you will ever need to lift!

We clean the outer part using a wet cloth. We do use neither any chemical, cleaning products, nor chlorine.

MyOneAndOnly bags cannot be washed in the washing machine or in the dry cleaner's.

Contact us for further information or for any possible questions by sending us an email at the sales@myoneandonly.gr
